Proper Citation: Van Andel Institute Vivarium Core Facility (RRID:SCR_023211)

Description: Core provides and supports gold standard of high quality mouse, rat and zebrafish modeling services for VAI investigators, collaborators and greater research community. Facility includes high containment barrier. All procedures are conducted according to the National Institutes of Health Guide for the Care and Use of Laboratory Animals. The Institute is accredited at the highest standard of care through the Association for Assessment and Accreditation of Laboratory Animal Care (AAALAC) International.

Synonyms: Van Andel Institute VAI Vivarium, VAI Vivarium

Resource Type: access service resource, core facility, service resource

Keywords: USEDit, ABRF, mouse, rat, zebrafish, modeling services, gold standard, Association for Assessment and Accreditation of Laboratory Animal Care International

Resource Name: Van Andel Institute Vivarium Core Facility

Resource ID: SCR_023211
