University of California Davis Health Biorepository Shared Resource Core Facility (RRID:SCR_023583)

Resource Information

URL: https://health.ucdavis.edu/cancer/research/sharedresources/specimen.html

Proper Citation: University of California Davis Health Biorepository Shared Resource Core Facility (RRID:SCR_023583)

Description: Provides specimens with annotated data for clinical and basic science research purposes.Biorepository functions as centralized tissue bank to provide researchers access to cancer- and non-cancer-related specimens including fresh or frozen tissue, paraffin blocks,sections and fluids, procured and stored using international standards of best practices and protocols compliant with Office for Human Research Protection. Specimens can be obtained prospectively as part of clinical trials or accessed through UC Davis Health Clinical Laboratories, where over 5.5 million blood specimens are processed annually.

Abbreviations: BRSR

Synonyms: UC Davis Biorepository Shared Resource, University of California Davis Health Biorepository Shared Resource

Resource Type: access service resource, core facility, service resource

Keywords: USEDit, ABRF, clinical and basic science research, specimens with annotated data, biorepository, tissue bank, cancer- and non-cancer-related specimens,

Funding: NCI P30CA093373

Resource Name: University of California Davis Health Biorepository Shared Resource Core Facility

Resource ID: SCR_023583

Alternate IDs: ABRF_1765

Alternate URLs: https://coremarketplace.org/?FacilityID=1765&citation=1

Record Creation Time: 20230520T050209+0000

Record Last Update: 20260905T133436+0000

Ratings and Alerts

No rating or validation information has been found for University of California Davis Health Biorepository Shared Resource Core Facility.

No alerts have been found for University of California Davis Health Biorepository Shared Resource Core Facility.
