Global Alzheimers Association Interaction Network

RRID:SCR_023699

Type: Tool

Proper Citation

Global Alzheimers Association Interaction Network (RRID:SCR_023699)

Resource Information

URL: <https://www.gaain.org/>

Proper Citation: Global Alzheimers Association Interaction Network (RRID:SCR_023699)

Description: Open access integrated research platform, which links scientists, shared data, and analysis tools to accelerate Alzheimer's disease research, disease preventions, treatments and cure. Unites diverse and geographically distributed network of data partners to foster cohort discovery, collaboration and sharing. Researchers can discover clinical, genetic, imaging and other data collected across many independent studies.

Abbreviations: GAAIN

Resource Type: data or information resource, disease-related portal, portal, topical portal

Keywords: USC Mark and Mary Stevens Neuroimaging and Informatics Institute, Alzheimer's disease research, disease preventions, treatments and cure, network of data partners, cohort discovery, collaboration and sharing, clinical data, genetic data, imaging data, Alzheimer data discovery,

Related Condition: Alzheimer's disease

Funding: Alzheimer Association

Availability: Free, Freely available

Resource Name: Global Alzheimers Association Interaction Network

Resource ID: SCR_023699

Record Creation Time: 20230621T050216+0000

Record Last Update: 20260905T133025+0000

Ratings and Alerts

No rating or validation information has been found for Global Alzheimers Association Interaction Network.

No alerts have been found for Global Alzheimers Association Interaction Network.

Data and Source Information
