oncoPredict

RRID:SCR_023872

Type: Tool

Proper Citation

oncoPredict (RRID:SCR_023872)

Resource Information

URL: <https://CRAN.R-project.org/package=oncoPredict>

Proper Citation: oncoPredict (RRID:SCR_023872)

Description: Software tool bridges in vitro drug screening with in vivo drug and biomarker discovery. Predicts in vivo or cancer patient drug response and biomarkers to enrich for response from cell line screening data. Builds model using ridge regression, and enables biomarker discovery by imputing drug response in large cancer molecular datasets. Enables drug specific biomarker identification by correcting for general level of drug sensitivity shared among the population.

Resource Type: data analysis software, data processing software, software application, software resource

Defining Citation: [PMID:34260682](#)

Keywords: drug specific biomarker identification, drug screening, drug and biomarker discovery, cancer molecular datasets, drug response,

Availability: Free, Available for download, Freely available

Resource Name: oncoPredict

Resource ID: SCR_023872

Record Creation Time: 20230725T050218+0000

Record Last Update: 20260905T133027+0000

Ratings and Alerts

No rating or validation information has been found for oncoPredict.

No alerts have been found for oncoPredict.
