Beth Israel Deaconess Medical Center Glycomics Core Facility

RRID:SCR_024818

Type: Tool

Proper Citation

Beth Israel Deaconess Medical Center Glycomics Core Facility (RRID:SCR_024818)

Resource Information

URL: <https://www.bidmc.org/research/core-facilities/glycomics-core>

Proper Citation: Beth Israel Deaconess Medical Center Glycomics Core Facility (RRID:SCR_024818)

Description: Glycomics Core provides services, instrumentation and expertise in glycomics. Services include Glycan Microarrays, Glycan analysis by Mass Spectrometry, Distribution of specific reagents, Trainings.

Synonyms: , Glycomics Core, Beth Israel Deaconess Medical Center Glycomics Core

Resource Type: access service resource, core facility, service resource

Keywords: ABRF, glycomics, Glycan Microarrays, Glycan analysis by Mass Spectrometry, Distribution of specific reagents,

Resource Name: Beth Israel Deaconess Medical Center Glycomics Core Facility

Resource ID: SCR_024818

Alternate IDs: ABRF_2599

Alternate URLs: <https://coremarketplace.org/?FacilityID=2599&citation=1>

Record Creation Time: 20240103T212525+0000

Record Last Update: 20260905T133442+0000

Ratings and Alerts

No rating or validation information has been found for Beth Israel Deaconess Medical Center Glycomics Core Facility.

No alerts have been found for Beth Israel Deaconess Medical Center Glycomics Core Facility.
