Rosetta

RRID:SCR_025242

Type: Tool

Proper Citation

Rosetta (RRID:SCR_025242)

Resource Information

URL: <https://github.com/LatticeX-Foundation/Rosetta>

Proper Citation: Rosetta (RRID:SCR_025242)

Description: Software privacy-preserving framework based on TensorFlow. Integrates with mainstream privacy-preserving computation technologies, including cryptography, federated learning and trusted execution environment. Used to provide privacy-preserving solutions for artificial intelligence without requiring expertise in cryptography, federated learning and trusted execution environment. Rosetta reuses the APIs of TensorFlow and allows to transfer traditional TensorFlow codes into a privacy-preserving manner with minimal changes.

Resource Type: software application, software resource, source code

Keywords: privacy-preserving solutions, artificial intelligence, no expertise in cryptography, federated learning, trusted execution environment,

Availability: Free, Available for download, Freely available

Resource Name: Rosetta

Resource ID: SCR_025242

License: LGPL v3.0

Record Creation Time: 20240410T053248+0000

Record Last Update: 20260905T133453+0000

Ratings and Alerts

No rating or validation information has been found for Rosetta.

No alerts have been found for Rosetta.
