Proper Citation: University of North Carolina at Chapel Hill UNC Preclinical Research Unit Core Facility (RRID:SCR_028832)

Description: Core develops and utilizes preclinical and in-vivo systems for the testing of novel cancer therapeutics. Provides technical services and collaboration with the IACUC, DCM, and other core facilities on campus for labs that utilize small laboratory animals in their research. Offers technical expertise with small laboratory animal models for reproducibility of research at UNC, and complete study management as well as individual services. Technicians are experienced, highly skilled, and maintain American Association for Laboratory Animal Science Technician/Technologist (AALAS) certifications.
