Salk Institute for Biological Studies

RRID:SCR_000752

Type: Tool

Proper Citation

Salk Institute for Biological Studies (RRID:SCR_000752)

Resource Information

URL: <http://www.salk.edu/>

Proper Citation: Salk Institute for Biological Studies (RRID:SCR_000752)

Description: The Salk Institute conducts research within three major areas of study: Molecular Biology and Genetics; Neurosciences; and Plant Biology. Six key areas represent strategic research priorities: Chemistry and Proteomics; Stem Cell Biology; Cell Biology; Regulatory Biology; Metabolic Research; and Computational and Theoretical Biology.

Synonyms: Salk Institute

Resource Type: institution

Keywords: organization portal, meeting resource, genetics, disease, disorder, human, metabolic research, molecular biology, neuroscience, plant biology, proteomics, regulatory biology, stem cell biology, theoretical biology

Related Condition: Aging

Funding: March of Dimes ;
Donations ;
San Diego City Council

Resource Name: Salk Institute for Biological Studies

Resource ID: SCR_000752

Alternate IDs: grid.250671.7, Wikidata: Q1351061, nif-0000-10414, ISNI: 0000 0001 0662 7144

Alternate URLs: <https://ror.org/03xez1567>

Record Creation Time: 20220129T080203+0000

Record Last Update: 20260801T190118+0000

Ratings and Alerts

No rating or validation information has been found for Salk Institute for Biological Studies.

No alerts have been found for Salk Institute for Biological Studies.
