Resource Information

URL: <http://www.niehs.nih.gov/careers/hazmat/funding/index.cfm>

Proper Citation: NIH Worker Training Program (RRID:SCR_001111)

Description: A set of National Institutes of Health-funded programs for worker's training. Programs include the Hazardous Materials Worker Health and Safety Training and the HAZMAT Training at DOE Nuclear Weapons Complex training program. There are also Small Business Innovation Research (SBIR) Grants that fund research projects that further the development of e-learning products that support health and safety training of emergency responders, community and citizen engagement and the long-term health effects of environmental disasters.
