TALLYMER

RRID:SCR_001244

Type: Tool

Proper Citation

TALLYMER (RRID:SCR_001244)

Resource Information

URL: <http://www.zbh.uni-hamburg.de/?id=211>

Proper Citation: TALLYMER (RRID:SCR_001244)

Description: A collection of flexible and memory-efficient software programs for k-mer counting and indexing of large sequence sets. It is based on enhanced suffix arrays which gives a much larger flexibility concerning the choice of the k-mer size. It can process large data sizes of several billion bases.

Abbreviations: Tallymer

Resource Type: software resource

Defining Citation: [PMID:18976482](#)

Keywords: k-mer, counting, sequence, genome annotation, genome, annotation, bio.tools

Availability: Free, Freely available

Resource Name: TALLYMER

Resource ID: SCR_001244

Alternate IDs: biotools:tallymer, OMICS_02096

Alternate URLs: <https://bio.tools/tallymer>

Record Creation Time: 20220129T080206+0000

Record Last Update: 20260808T185739+0000

Ratings and Alerts

No rating or validation information has been found for TALLYMER.

No alerts have been found for TALLYMER.
