ParaView

RRID:SCR_002516

Type: Tool

Proper Citation

ParaView (RRID:SCR_002516)

Resource Information

URL: <http://www.paraview.org/>

Proper Citation: ParaView (RRID:SCR_002516)

Description: Open source, multi platform data analysis and visualization application. ParaView users can quickly build visualizations to analyze their data using qualitative and quantitative techniques. The data exploration can be done interactively in 3D or programmatically using ParaView's batch processing capabilities. ParaView was developed to analyze extremely large datasets using distributed memory computing resources. It can be run on supercomputers to analyze datasets of terascale as well as on laptops for smaller data.

Abbreviations: ParaView

Resource Type: data processing software, data analysis software, software resource, software application, data visualization software

Keywords: magnetic resonance

Availability: Free, Available for download, Freely available

Resource Name: ParaView

Resource ID: SCR_002516

Alternate IDs: nlx_155917

Alternate URLs: <http://www.nitrc.org/projects/paraview>,
<https://sources.debian.org/src/paraview/>

License: BSD License

Record Creation Time: 20220129T080213+0000

Record Last Update: 20260805T044041+0000

Ratings and Alerts

No rating or validation information has been found for ParaView.

No alerts have been found for ParaView.

Data and Source Information
