Proper Citation: UNC Infant 0-1-2 Atlases (RRID:SCR_002569)

Description: 3 atlases dedicated for neonates, 1-year-olds, and 2-year-olds. Each atlas comprises a set of 3D images made up of the intensity model, tissue probability maps, and anatomical parcellation map. These atlases are constructed with the help of state-of-the-art infant MR segmentation and groupwise registration methods, on a set of longitudinal images acquired from 95 normal infants (56 males and 39 females) at neonate, 1-year-old, and 2-year-old.

Abbreviations: UNC Infant 0-1-2 Atlases

Synonyms: UNC 0-1-2 Infant Atlases

Resource Type: atlas, data or information resource

Defining Citation: [PMID:21533194](#)

Keywords: analyze, atlas application, linux, macos, microsoft, magnetic resonance, posix/unix-like, infant, pediatric, template, longitudinal, neonate, male, female, mri
