WormBase

RRID:SCR_003098

Type: Tool

Proper Citation

WormBase (RRID:SCR_003098)

Resource Information

URL: <http://www.wormbase.org>

Proper Citation: WormBase (RRID:SCR_003098)

Description: Central data repository for nematode biology including complete genomic sequence, gene predictions and orthology assignments from range of related nematodes. Data concerning genetics, genomics and biology of *C. elegans* and related nematodes. Derived from initial ACeDB database of *C. elegans* genetic and sequence information, WormBase includes genomic, anatomical and functional information of *C. elegans*, other *Caenorhabditis* species and other nematodes. Maintains public FTP site where researchers can find many commonly requested files and datasets, WormBase software and prepackaged databases.

Abbreviations: WB, WB REF, WP

Synonyms: , WB, Worm Base, WB REF, WP

Resource Type: data or information resource, data repository, database, service resource, storage service resource

Defining Citation: [PMID:24194605](#), [PMID:19910365](#), [PMID:17991679](#), [PMID:15608221](#)

Keywords: RIN, Resource Information Network, catalog, database, blast, genomic sequence, gene prediction, orthology assignment, gene function, ortholog, roundworm, geneotype, phenotype, gene mapping, genomics, gene expression, transposon family, *c elegans*, wormmart, FASEB list, RRID Community Authority

Funding: BBSRC ;
MRC ;
NHGRI ;
NHGRI U41 HG002223;
NIH Blueprint for Neuroscience Research ;
NIHGRI P41 HG02223

Resource Name: WormBase

Resource ID: SCR_003098
