Assembly Based ReAligner

RRID:SCR_003277

Type: Tool

Proper Citation

Assembly Based ReAligner (RRID:SCR_003277)

Resource Information

URL: <https://github.com/mozack/abra>

Proper Citation: Assembly Based ReAligner (RRID:SCR_003277)

Description: Software that is a realigner for next generation sequencing data. It uses localized assembly and global realignment to align reads more accurately, thus improving downstream analysis (detection of indels and complex variants in particular).

Abbreviations: ABRA

Synonyms: ABRA - Assembly Based ReAligner

Resource Type: software resource

Defining Citation: [PMID:24907369](#)

Keywords: standalone software, c, c++, java, bio.tools

Availability: Free, Available for download, Freely available

Resource Name: Assembly Based ReAligner

Resource ID: SCR_003277

Alternate IDs: OMICS_04668, biotools:abra

Alternate URLs: <https://bio.tools/abra>

Record Creation Time: 20220129T080218+0000

Record Last Update: 20260801T190229+0000

Ratings and Alerts

No rating or validation information has been found for Assembly Based ReAligner.

No alerts have been found for Assembly Based ReAligner.
