Proper Citation: Genewave (RRID:SCR_003903)

Description: A development-stage diagnostics company whose mission is to curb the spread of hospital-acquired infections and anti-microbial resistance by developing a small-footprint, inexpensive, and automated diagnostic instrument that will quickly deliver patient-specific information on 50+ genetic markers. With their on-chip, high-multiplex approach, they expect to offer a higher-performing, lower-cost, and more versatile solution versus bacterial culture and competing approaches in development.

Abbreviations: Genewave

Resource Type: commercial organization

Keywords: diagnostics, diagnostic test

Related Condition: Infection, Anti-microbial resistance, Hospital-acquired infection, Infectious disease

Resource Name: Genewave
