Description: The Canadian Breast Cancer Foundation is the leading national volunteer-based organization in Canada dedicated to creating a future without breast cancer. Established in 1986 by a dedicated group of volunteers, the Foundation works collaboratively to fund, support and advocate for: * Relevant and innovative research, * Meaningful education and awareness programs, * Early diagnosis and effective treatment * A positive quality of life for those living with breast cancer. Our fundraising through our annual Canadian Breast Cancer Foundation CIBC Run for the Cure, special events, corporate sponsorship and donations has enabled the Foundation to allocate millions of dollars in grants for breast cancer projects and services since our inception. Addressing the needs of Canadians from coast to coast, the Canadian Breast Cancer Foundation has regional offices in British Columbia/Yukon Territory, Prairies/NWT, Ontario and the Atlantic Region. The Foundation''s central office is located in Toronto. Charitable Registration No. 12799 3608 RR0001
