Mercury

RRID:SCR_004231

Type: Tool

Proper Citation

Mercury (RRID:SCR_004231)

Resource Information

URL: <https://www.hgsc.bcm.edu/software/mercury>

Proper Citation: Mercury (RRID:SCR_004231)

Description: An automated, flexible, and extensible analysis workflow that provides accurate and reproducible genomic results at scales ranging from individuals to large cohorts. The analysis pipeline is deployed in local hardware and the Amazon Web Services cloud via the DNAnexus platform.

Abbreviations: Mercury

Synonyms: Illumina Mercury pipeline

Resource Type: software resource

Defining Citation: [PMID:24475911](#)

Keywords: next-generation sequencing, genome, cloud, exome, cloud computing, illumina, bam, variant call file

Resource Name: Mercury

Resource ID: SCR_004231

Alternate IDs: OMICS_02290

Record Creation Time: 20220129T080223+0000

Record Last Update: 20260725T190548+0000

Ratings and Alerts

No rating or validation information has been found for Mercury.

No alerts have been found for Mercury.

Data and Source Information
