Immunology

RRID:SCR_004527

Type: Tool

Proper Citation

Immunology (RRID:SCR_004527)

Resource Information

URL: <http://en.wikibooks.org/wiki/Immunology>

Proper Citation: Immunology (RRID:SCR_004527)

Description: Immunology is a wikibook with the following contents: * Introduction * Organs of the Immune System * Cells of the Immune System * Antigens * Antibodies * Immune System Genetics * Antibody/Antigen Interactions * Major Histocompatibility Complex * Antigen Processing and Presentation * T Cells * B Cells * Cell-Mediated Immune Response * Cytokines * The Complement System * Inflammation * Hypersensitivity * Infectious Disease * Immunodeficiency * Autoimmunity * Transplants * Cancer * Vaccines * Experimental Methods in Immunology You may download as a PDF or print it.

Abbreviations: Immunology

Resource Type: book, narrative resource, data or information resource, wiki

Keywords: immunobiology, physiology

Resource Name: Immunology

Resource ID: SCR_004527

Alternate IDs: nlx_52404

Record Creation Time: 20220129T080225+0000

Record Last Update: 20260801T190237+0000

Ratings and Alerts

No rating or validation information has been found for Immunology.

No alerts have been found for Immunology.
