Description: California Transplant Services (CTS) is a full service eye and tissue bank headquartered in Carlsbad, California. CTS is a California non-profit public benefit corporation qualified by the IRS as a section 501(c)3 public charity, licensed by the California Department of Public Health as a Tissue Bank and registered and inspected by the United States Food and Drug Administration. We were also inspected by the American Association of Tissue Banks in September of 2003 and awarded Accreditation in December 2003. California Transplant Services is a Member of the Eye Bank Association of America. We are registered in California with the Office of Charitable Trusts. Most of CTS California Transplant's fulltime staff are Certified Tissue Bank Specialists (CTBS) by the AATB or Certified Eye Bank Technicians (CEBT) by the Eye Bank Association of America. CTS staffing includes fulltime and part time tissue procurement specialists. CTS helps tissue banks by providing 24 hour tissue placement services from it's west coast USA distribution center. CTS has provided cornea and bone tissue placement services nationwide since 1994.
