Description: RTI Donor Services is a not-for-profit, American Association of Tissue Banks (AATB) accredited organization, working with organ and tissue agencies to provide responsible stewardship of the gift of donation. By working with RTI Donor Services, you will receive the benefit of the science, safety and innovation of RTI Biologics, Inc. (RTI). While RTI Biologics and RTI Donor Services are separate but affiliated organizations, our missions are symbiotic ????? both are aimed at improving the lives of others with a focus on maximizing the gift of tissue donation, providing safe tissue implants for recipients, and providing education and support programs to donor families and the donation community.
