Proper Citation: Oklahoma Medical Research Foundation (RRID:SCR_005287)

Description: A biomedical research institute that aims to understand and develop more effective treatments for human disease, focusing on critical research areas such as heart disease, cancer, lupus and Alzheimer's disease.

Abbreviations: OMRF

Resource Type: institution

Keywords: human disease, cardiovascular disease, cancer, lupus, alzheimer's disease, treatment, biomedical research institute

Related Condition: Heart disease, Cancer, Lupus, Alzheimer's disease

Availability: Public

Resource Name: Oklahoma Medical Research Foundation
