### Resource Information

**URL:** [http://darwin.di.uminho.pt/anote2/wiki/index.php/Main\\_Page](http://darwin.di.uminho.pt/anote2/wiki/index.php/Main_Page)

**Proper Citation:** (at)Note (RRID:SCR\_005342)

**Description:** THIS RESOURCE IS NO LONGER IN SERVICE. Documented September 18, 2017. Text Mining platform that copes with major Information Retrieval and Information Extraction tasks and promotes multi-disciplinary research. It aims to provide support to three different usage roles: biologists, text miners and application developers. The workbench supports the retrieval, processing and annotation of documents as well as their analysis at different levels.

**Abbreviations:** (at)Note

**Synonyms:** (at)Note2 - A workbench for Biomedical Text Mining

**Resource Type:** software resource, software application, text-mining software

**Defining Citation:** [PMID:19393341](#)

**Keywords:** java, java swt, text, mining

**Availability:** THIS RESOURCE IS NO LONGER IN SERVICE

**Resource Name:** (at)Note

**Resource ID:** SCR\_005342

**Alternate IDs:** OMICS\_01167

**Record Creation Time:** 20220129T080229+0000

**Record Last Update:** 20260731T042711+0000

---

### Ratings and Alerts

No rating or validation information has been found for (at)Note.

No alerts have been found for (at)Note.
