Proper Citation: International Agency for Research on Cancer (RRID:SCR_005422)

Description: The International Agency for Research on Cancer (IARC) is part of the World Health Organization. IARC's mission is to coordinate and conduct research on the causes of human cancer, the mechanisms of carcinogenesis, and to develop scientific strategies for cancer prevention and control. The Agency is involved in both epidemiological and laboratory research and disseminates scientific information through publications, meetings, courses, and fellowships.

Abbreviations: IARC

Synonyms: IARC - International Agency for Research on Cancer

Resource Type: nonprofit organization

Keywords: cancer, human, research, prevention, carcinogenesis

Resource Name: International Agency for Research on Cancer

Resource ID: SCR_005422

Alternate IDs: Crossref funder ID: 100008700, grid.17703.32, ISNI: 405980095, nlx_144517, Wikidata: Q552168

Alternate URLs: <https://ror.org/00v452281>

Record Creation Time: 20220129T080230+0000

Record Last Update: 20260801T190259+0000

Ratings and Alerts

No rating or validation information has been found for International Agency for Research on Cancer.

No alerts have been found for International Agency for Research on Cancer.
