Proper Citation: American Cancer Society (RRID:SCR_005756)

Description: The American Cancer Society is the nationwide, community-based, voluntary health organization dedicated to eliminating cancer as a major health problem by preventing cancer, saving lives, and diminishing suffering from cancer, through research, education, advocacy, and service. Together with our millions of supporters, the American Cancer Society (ACS) saves lives and creates a world with less cancer and more birthdays by helping people stay well, helping people get well, by finding cures, and by fighting back. Headquartered in Atlanta, Georgia, the ACS has 12 chartered Divisions, more than 900 local offices nationwide, and a presence in more than 5,100 communities.

Abbreviations: ACS

Synonyms: American Cancer Society - The Official Sponsor of Birthdays

Resource Type: non profit organization

Keywords: cancer, breast cancer, colon, lung, prostate, skin, breast

Related Condition: Cancer

Resource Name: American Cancer Society

Resource ID: SCR_005756
