Rice Kinase Database

RRID:SCR_006990

Type: Tool

Proper Citation

Rice Kinase Database (RRID:SCR_006990)

Resource Information

URL: <http://rkd.ucdavis.edu/interactome.shtml>

Proper Citation: Rice Kinase Database (RRID:SCR_006990)

Description: It was created to host functional genomic information gathered as part of a large NSF funded rice kinase proteomics project. The goal is to integrate disparate data sets into a logical, user friendly format. To accomplish this, they have developed a platform to display user selected functional genomic data on a phylogenetic tree. The RKD also includes an interactive chromosomal map showing the positions of all rice kinases and an interactive protein-protein interaction maps.

Abbreviations: RKD

Synonyms: Rice Kinase Database

Resource Type: data or information resource, database

Keywords: chromosomal map, genomic data, genomic information, phylogenetic tree, protein, proteomic, rice kinase

Resource Name: Rice Kinase Database

Resource ID: SCR_006990

Alternate IDs: nif-0000-20910

Record Creation Time: 20220129T080239+0000

Record Last Update: 20260801T191000+0000

Ratings and Alerts

No rating or validation information has been found for Rice Kinase Database.

No alerts have been found for Rice Kinase Database.
