MHC-Peptide Interaction Database

RRID:SCR_007784

Type: Tool

Proper Citation

MHC-Peptide Interaction Database (RRID:SCR_007784)

Resource Information

URL: <http://variome.bic.nus.edu.sg/mpidt/>

Proper Citation: MHC-Peptide Interaction Database (RRID:SCR_007784)

Description: The MHC-Peptide Interaction Database version T (MPID-T) is a new generation database for sequence-structure-function information on T cell receptor/peptide/MHC interactions. It contains all structures of TcR/pMHC and pMHC complexes, with emphasis on the structural characterization of these complexes. MPID-T will facilitate the development of algorithms to predict whether a peptide sequence will bind to a specific MHC allele. The database has been populated with the data from the Protein Data Bank(PDB). The data from the PDB is manually verified and classified, after which each structure is analysed for atomic interactions relevant to MHC-Peptide complex.

Synonyms: MPID-T

Resource Type: database, data or information resource

Resource Name: MHC-Peptide Interaction Database

Resource ID: SCR_007784

Alternate IDs: nif-0000-03122

Record Creation Time: 20220129T080243+0000

Record Last Update: 20260725T191148+0000

Ratings and Alerts

No rating or validation information has been found for MHC-Peptide Interaction Database.

No alerts have been found for MHC-Peptide Interaction Database.
