BAMA

RRID:SCR_009071

Type: Tool

Proper Citation

BAMA (RRID:SCR_009071)

Resource Information

URL: <http://www.rni.helsinki.fi/~mjs/>

Proper Citation: BAMA (RRID:SCR_009071)

Description: Software application to select a trait-associated subset of markers among many candidates. The program is based on Bayesian modeling/estimation and it suits for both quantitative and qualitative traits. It can handle bi- and multiallelic markers as well as applied in situations where part of the marker genotypes may be missing. As an output of the program, one obtains posterior estimate of number and positions of trait-associated markers. (entry from Genetic Analysis Software), THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 16,2025.

Abbreviations: BAMA

Synonyms: Bayesian Analysis of Multilocus Association

Resource Type: software resource, software application

Keywords: gene, genetic, genomic, c, linux

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: BAMA

Resource ID: SCR_009071

Alternate IDs: nlx_154065

Record Creation Time: 20220129T080250+0000

Record Last Update: 20260801T191043+0000

Ratings and Alerts

No rating or validation information has been found for BAMA.

No alerts have been found for BAMA.
