Proper Citation: FISHER (RRID:SCR_009181)

Description: THIS RESOURCE IS NO LONGER IN SERVICE, documented on February 1st, 2022. Software application for genetic analysis of classical biometric traits like blood pressure or height that are caused by a combination of polygenic inheritance and complex environmental forces. (entry from Genetic Analysis Software)

Abbreviations: FISHER

Resource Type: software resource, software application

Keywords: gene, genetic, genomic, fortran77
