## Harvard Medical School Neurobiology Imaging Core Facility

RRID:SCR\_009808

Type: Tool

### Proper Citation

Harvard Medical School Neurobiology Imaging Core Facility (RRID:SCR\_009808)

### Resource Information

**URL:** <https://nif.hms.harvard.edu/>

**Proper Citation:** Harvard Medical School Neurobiology Imaging Core Facility (RRID:SCR\_009808)

**Description:** Open access light microscopy and tissue core located within Neurobiology Department. Provides services in optical imaging, tissue clearing, in situ hybridization as well as introduces new equipment and cutting technology to the basic science community. Provides expertise, equipment, services and learning opportunities to researchers in the greater Boston area.

**Synonyms:** Harvard Medical School Neurobiology Imaging Facility, HMS Neurobiology Imaging Facility

**Resource Type:** core facility, service resource, access service resource

**Keywords:** imaging technique, light microscopy, tissue, optical imaging, tissue clearing, in situ hybridization,

**Availability:** Open

**Resource Name:** Harvard Medical School Neurobiology Imaging Core Facility

**Resource ID:** SCR\_009808

**Alternate IDs:** ABRF\_2943, nlx\_156276

**Alternate URLs:** <https://coremarketplace.org/?FacilityID=2943&citation=1>

**Old URLs:** <http://harvard.eagle-i.net/i/0000013d-63e5-1081-67e6-30e880000000>

**Record Creation Time:** 20220129T080255+0000

## Ratings and Alerts

No rating or validation information has been found for Harvard Medical School Neurobiology Imaging Core Facility.

No alerts have been found for Harvard Medical School Neurobiology Imaging Core Facility.
