Type: Tool

Proper Citation

LCRC Genomics Core Facility (RRID:SCR_009906)

Resource Information

URL: <http://xula.eagle-i.net/i/00000135-1fe5-4458-77e4-a45080000000>

Proper Citation: LCRC Genomics Core Facility (RRID:SCR_009906)

Description: Core facility that provides the following services: Automated DNA sequencing, Quantitative real-time PCR, Genotyping service, Liquid handling service. The Genomics Core Facility is a core resource of LSU Health Science Center, sponsored jointly by the Cancer Center and Genetics Center. The Facility is committed to providing quality service by fulfilling the needs of the research community in a consistently rapid, dependable, and economical fashion. Services include automated DNA sequencing, using state-of-the-art instrumentation (ABI PRISM 3130XL Genetic Analyzers) and the latest protocols to ensure high quality results at reasonable prices. The Facility also houses an ABI Prism 7900 HT (a high through-put real-time PCR system) and a Biomek2000 liquid handling robot.

Resource Type: core facility, service resource, access service resource

Keywords: dna sequencing, genotyping assay, real-time pcr, quality control, gene expression analysis assay, liquid handling

Resource Name: LCRC Genomics Core Facility

Resource ID: SCR_009906

Alternate IDs: nlx_156371

Record Creation Time: 20220129T080255+0000

Record Last Update: 20260731T042825+0000

Ratings and Alerts

No rating or validation information has been found for LCRC Genomics Core Facility.
