Proper Citation: LCRC Microarray Core (RRID:SCR_009907)

Description: Core facility that provides the following services: Probe hybridization, Microarray data analysis. In December 2000, the LSUHSC Program in Gene Therapy in conjunction with the Louisiana Gene Therapy Research Consortium created the Microarray Core to cater to the growing needs of investigators who wanted to perform expression studies. Since that time, our core has helped researchers from around the world process over 3000 samples, resulting in numerous peer-reviewed scientific publications.

Resource Type: core facility, service resource, access service resource

Keywords: affymetrix array, array scanning, data analysis

Resource Name: LCRC Microarray Core

Resource ID: SCR_009907

Alternate IDs: nlx_156372

Record Creation Time: 20220129T080255+0000

Record Last Update: 20260801T191155+0000

Ratings and Alerts

No rating or validation information has been found for LCRC Microarray Core.

No alerts have been found for LCRC Microarray Core.
