Proper Citation

Diagnostic Ontology (RRID:SCR_010307)

Resource Information

URL: <http://purl.bioontology.org/ontology/DIAGONT>

Proper Citation: Diagnostic Ontology (RRID:SCR_010307)

Description: A computational diagnostic ontology containing 91 elements, including classes and sub-classes, which are required to conduct SR-MA (Systematic Review - Meta Analysis) for diagnostic studies, that will assist in standardized reporting of diagnostic articles. They also report high percentage of agreement among five observers as a result of the inter-observer agreement that they conducted among them to tag 13 articles using the diagnostic ontology. Moreover, they extend their existing repository CERR-N (Center of Excellence in Research Reporting in Neurosurgery) to include diagnostic studies.

Abbreviations: DIAGONT
