Australian Synchrotron

RRID:SCR_010984

Type: Tool

Proper Citation

Australian Synchrotron (RRID:SCR_010984)

Resource Information

URL: <http://www.scienceexchange.com/facilities/australian-synchrotron>

Proper Citation: Australian Synchrotron (RRID:SCR_010984)

Description: The Australian Synchrotron is a source of highly intense light ranging from infrared to hard x-rays used for a wide variety of research purposes. Officially opened in July 2007, the Australian Synchrotron is one of fewer than 40 similar facilities around the world. It is the largest stand-alone piece of scientific infrastructure in the southern hemisphere.

Abbreviations: Australian Synchrotron

Resource Type: core facility, service resource, access service resource

Resource Name: Australian Synchrotron

Resource ID: SCR_010984

Alternate IDs: SciEx_9202

Record Creation Time: 20220129T080301+0000

Record Last Update: 20260731T042837+0000

Ratings and Alerts

No rating or validation information has been found for Australian Synchrotron.

No alerts have been found for Australian Synchrotron.
