Description: THIS RESOURCE IS NO LONGER IN SERVICE. Documented on May 2,2024. PharmaSages is a consulting company servicing pharma, biotech and CROs. It was created to help companies in focusing on their core business and becoming globally competitive. We help pharma and biotech companies in identifying the right CROs for their drug discovery and clinical trial projects, acquisition of expertise and execution of their projects, and reducing their costs through innovative ideas. We have lots of consultants ready to help with their expertise in basic and clinical science. In addition, we provide clinical document service to help with FDA filings including IND and NDA filings, study start up, SOPs, quality management, SAEs reporting, HIPPA compliance, protocol writing and management, contract negotiations and preparation, budget preparation, electronic filings, and clinical trainings.
