NYU Anti-Infectives Screening and Insectary Core Facilities

RRID:SCR_012350

Type: Tool

Proper Citation

NYU Anti-Infectives Screening and Insectary Core Facilities (RRID:SCR_012350)

Resource Information

URL: <http://www.scienceexchange.com/facilities/anti-infectives-screening-and-insectary-core-facilities-nyu>

Proper Citation: NYU Anti-Infectives Screening and Insectary Core Facilities (RRID:SCR_012350)

Description: Our insectary produces five rodent malaria strains weekly and will ship live sporozoite infected *Anopheles stephensi* to investigators for research use (*Plasmodium berghei* GFP, luciferase or red-star and *P. yoelii*-GFP) Anti-infective testing including in vitro EC50, in vivo mice infection are available against for major parasitic diseases: Malaria, Leishmaniasis, Chagas and African Trypanosomiasis.

Abbreviations: NYU Anti-Infectives Screening and Insectary Core Facilities

Synonyms: New York University Langone Medical Center Anti-Infectives Screening and Insectary Core Facilities

Resource Type: access service resource, core facility, service resource

Keywords: in vitro

Resource Name: NYU Anti-Infectives Screening and Insectary Core Facilities

Resource ID: SCR_012350

Alternate IDs: SciEx_12692

Record Creation Time: 20220129T080309+0000

Record Last Update: 20260829T183243+0000

Ratings and Alerts

No rating or validation information has been found for NYU Anti-Infectives Screening and Insectary Core Facilities.

No alerts have been found for NYU Anti-Infectives Screening and Insectary Core Facilities.
