University of Rochester Genomics Research Center Core Facility

RRID:SCR_012359

Type: Tool

Proper Citation

University of Rochester Genomics Research Center Core Facility (RRID:SCR_012359)

Resource Information

URL: <https://www.urmc.rochester.edu/research/rochester-genomics-center.aspx>

Proper Citation: University of Rochester Genomics Research Center Core Facility (RRID:SCR_012359)

Description: Provides core laboratory support, technical consultation, assistance with experimental design and data analysis for investigators using high throughput genomic sequencing, genotyping and gene expression in their research programs. Provides support for RNA-Seq, ATAC-seq, ChIP-Seq, Single Cell RNA-seq, Spatial Transcriptomics, Exome/Genome sequencing, Whole Genome and Reduced Representation Bisulfite Sequencing (WGBS, RRBS), 16S rRNA Sequencing, Small RNA-Seq, Metatranscriptomics, qRT-PCR, processing of RNA/DNA, as well as custom applications and approaches. Bioinformatic analysis support is also available.

Abbreviations: URGRC

Synonyms: URMG Genomics Research Center, UR Genomics Research Center, University of Rochester Medical Center Genomics Research Center

Resource Type: access service resource, service resource, core facility

Keywords: Genomic sequencing, genotyping, gene expression, ABRF, USEDit

Availability: open

Resource Name: University of Rochester Genomics Research Center Core Facility

Resource ID: SCR_012359

Alternate IDs: ABRF_400, SciEx_12075

Alternate URLs: <http://www.scienceexchange.com/facilities/ur-genomics-research-center-rochester>, <https://coremarketplace.org/?FacilityID=400>

Record Creation Time: 20220129T080309+0000

Record Last Update: 20260729T044305+0000

Ratings and Alerts

No rating or validation information has been found for University of Rochester Genomics Research Center Core Facility.

No alerts have been found for University of Rochester Genomics Research Center Core Facility.
