DEXSeq

RRID:SCR_012823

Type: Tool

Proper Citation

DEXSeq (RRID:SCR_012823)

Resource Information

URL: <http://bioconductor.org/packages/release/bioc/html/DEXSeq.html>

Proper Citation: DEXSeq (RRID:SCR_012823)

Description: Software package focused on finding differential exon usage using RNA-seq exon counts between samples with different experimental designs. It provides functions that allows the user to make the necessary statistical tests based on a model that uses the negative binomial distribution to estimate the variance between biological replicates and generalized linear models for testing. The package also provides functions for the visualization and exploration of the results.

Abbreviations: DEXSeq

Resource Type: software resource

Keywords: bio.tools

Resource Name: DEXSeq

Resource ID: SCR_012823

Alternate IDs: OMICS_01329, biotools:dexseq

Alternate URLs: <https://bio.tools/dexseq>

Record Creation Time: 20220129T080312+0000

Record Last Update: 20260801T190441+0000

Ratings and Alerts

No rating or validation information has been found for DEXSeq.

No alerts have been found for DEXSeq.
