Manipulate and Display a DNA Sequence

RRID:SCR_013470

Type: Tool

Proper Citation

Manipulate and Display a DNA Sequence (RRID:SCR_013470)

Resource Information

URL: <http://www.vivo.colostate.edu/molkit/manip/#>

Proper Citation: Manipulate and Display a DNA Sequence (RRID:SCR_013470)

Description: A software tool that allows users to input a DNA (or RNA) sequence and obtain its inverse, complement or inverse complement. The program can also be used to display a DNA sequence and its complement in double-stranded format. Functions after users paste a DNA sequence into the upper text box, then click the appropriate button to place a manipulated form of the sequence in the lower text box.

Abbreviations: Manipulate and Display a DNA Sequence

Synonyms: Manipulate Display a DNA Sequence

Resource Type: data analysis service, service resource, production service resource, analysis service resource

Keywords: dna sequence, dna, rna, sequence, inverse, complement, inverse complement, base number

Resource Name: Manipulate and Display a DNA Sequence

Resource ID: SCR_013470

Alternate IDs: nif-0000-31779

Record Creation Time: 20220129T080316+0000

Record Last Update: 20260801T042719+0000

Ratings and Alerts

No rating or validation information has been found for Manipulate and Display a DNA Sequence.
