Type: Tool

Proper Citation

Biorepositories and Biospecimens Research Branch (RRID:SCR_013979)

Resource Information

URL: <https://dctd.cancer.gov/programs/cdp/organization/bbrb>

Proper Citation: Biorepositories and Biospecimens Research Branch (RRID:SCR_013979)

Description: BBRB supports medical discovery and precision medicine by providing leadership, tools, and resources to the biobanking community. Provides input on policy related to biobanking and supports the availability of biospecimens for research. Develops standardized procedures for biospecimen science and research; conducts and sponsors research on the effects of biospecimen preanalytical factors; leads and supports major scientific initiatives requiring high-quality biospecimens; and supports investigations into the ethical, legal, and social issues concerning biospecimen collection and use.

Synonyms: , NCI's Biorepositories and Biospecimen Research Branch (BBRB)

Resource Type: data or information resource, portal

Keywords: portal, biospecimen, human biospecimen, cancer, cancer research, database,

Related Condition: cancer

Availability: Free, Freely available

Resource Name: Biorepositories and Biospecimens Research Branch

Resource ID: SCR_013979

Old URLs: <http://biospecimens.cancer.gov/default.asp>

Record Creation Time: 20220129T080318+0000

Record Last Update: 20260803T040639+0000

Ratings and Alerts

No rating or validation information has been found for Biorepositories and Biospecimens Research Branch.

No alerts have been found for Biorepositories and Biospecimens Research Branch.
