WebPlotDigitizer

RRID:SCR_013996

Type: Tool

Proper Citation

WebPlotDigitizer (RRID:SCR_013996)

Resource Information

URL: <https://automeris.io/WebPlotDigitizer/>

Proper Citation: WebPlotDigitizer (RRID:SCR_013996)

Description: Web based tool to extract data from plots, images, and maps. HTML5 based online tool to extract numerical data from plot images. Used to reverse engineer images of data visualizations to extract underlying numerical data.

Synonyms: WebPlotDigitizer Version 4.1, WebPlotDigitizer Version 4.2

Resource Type: data access protocol, software resource, service resource, web service

Keywords: Data extraction, plot, image, map, HTML5, numerical data extraction, plot image, reverse image, reverse data visualization

Availability: Free, Available for download, Freely available

Resource Name: WebPlotDigitizer

Resource ID: SCR_013996

Alternate URLs: <https://apps.automeris.io/wpd/>,
