FluoView FV10-ASW software

RRID:SCR_014215

Type: Tool

Proper Citation

FluoView FV10-ASW software (RRID:SCR_014215)

Resource Information

URL: <http://www.photonics.com/Product.aspx?PRID=47380>

Proper Citation: FluoView FV10-ASW software (RRID:SCR_014215)

Description: Image processing software used to modify and clarify sample images for FluoView FV1000 range of confocal laser scanning microscopes and FluoView FV1000MPE multiphoton excitation systems. The software incorporates high-dynamic-range imaging, minimized signal-to-noise ratios, partial stitching with multiarea time-lapse imaging, and channel unmixing. The software also allows users to select specific areas of the whole sample, which can be stitched together.

Synonyms: Olympus FluoView FV10-ASW 3.0, FV10-ASW 3.0 Software

Resource Type: software application, image processing software, data processing software, software resource

Keywords: image processing software, microscopy, laser scanning microscopy, high dynamic range imaging

Availability: Pay for product, Fully compatible with Windows 7

Resource Name: FluoView FV10-ASW software

Resource ID: SCR_014215

Alternate URLs: <http://www.olympus-lifescience.com/en/>

License URLs: http://www.olympus-europa.com/corporate/en/terms_of_use.html

Record Creation Time: 20220129T080319+0000

Record Last Update: 20260807T042817+0000

Ratings and Alerts

No rating or validation information has been found for FluoView FV10-ASW software.

No alerts have been found for FluoView FV10-ASW software.
