Primer Express

RRID:SCR_014326

Type: Tool

Proper Citation

Primer Express (RRID:SCR_014326)

Resource Information

URL: <https://www.thermofisher.com/order/catalog/product/4363991>

Proper Citation: Primer Express (RRID:SCR_014326)

Description: Software that allows users to manually or automatically design custom primers and probes for gene quantitation and allelic discrimination (SNP) real-time PCR applications. It supports assays based on TaqMan and SYBR Green I dye chemistries.

Resource Type: standalone software, software resource, software application

Keywords: primer, probe, design, gene quantitation, allelic discrimination, real time pcr

Availability: Pay for product, Specifically made for ThermoFisher Scientific RT-PCR systems

Resource Name: Primer Express

Resource ID: SCR_014326

License: Primer Express Software v3.0.1 License
