Rare Kidney Stone Consortium (RKSC) (RRID:SCR_014413)

Resource Information

URL: <http://www.rarekidneystones.org>

Proper Citation: Rare Kidney Stone Consortium (RKSC) (RRID:SCR_014413)

Description: An organization of various participants and independent efforts representing four major diseases of hereditary nephrolithiasis. The Consortium facilitates cooperative exchange of information and resources among investigators, clinicians, patients, and researchers in order to improve care and outcomes for patients with rare stone diseases. The consortium promotes ready availability of diagnostic testing, pooling of clinical experiences, and availability of tissue banks in order to advance the science.

Abbreviations: RKSC

Synonyms: Rare Kidney Stone Consortium
