Type: Tool

Proper Citation

Undiagnosed Diseases Network (RRID:SCR_014415)

Resource Information

URL: <https://www.genome.gov/27550959/undiagnosed-diseases-network-udn/>

Proper Citation: Undiagnosed Diseases Network (RRID:SCR_014415)

Description: A network of clinical sites and core laboratories to accelerate discovery and innovate the way medical professionals diagnose and treat patients with previously undiagnosed diseases. It will serve to test whether this type of cross-disciplinary approach to disease diagnosis is feasible to implement in academic medical centers. It also provides clinical training of contemporary genomic approaches in diagnosing disease.

Synonyms: NIH Undiagnosed Diseases Network

Resource Type: training resource

Keywords: network, clinical, undiagnosed disease, rare disease

Availability: Available to the research community

Resource Name: Undiagnosed Diseases Network

Resource ID: SCR_014415

Record Creation Time: 20220129T080320+0000

Record Last Update: 20260801T190502+0000

Ratings and Alerts

No rating or validation information has been found for Undiagnosed Diseases Network.

No alerts have been found for Undiagnosed Diseases Network.
