## iResearch Library

RRID:SCR\_014890

Type: Tool

### Proper Citation

iResearch Library (RRID:SCR\_014890)

### Resource Information

**URL:** <http://www.chemnavigator.com/>

**Proper Citation:** iResearch Library (RRID:SCR\_014890)

**Description:** Database of commercially accessible screening compounds from international chemistry suppliers. iResearchLibrary is updated on a weekly basis and offers support for creating internal screening libraries containing commercially accessible compounds, developing exploratory and targeted libraries, selecting commercially accessible compounds for SAR, lead expansion, and hit follow-up projects, and using structures for pharmacophore searching, virtual screening and other computational work.

**Resource Type:** data or information resource, database, software resource, web application

**Keywords:** research, database, library, chemistry, suppliers, pharmacology, screening, computation

**Availability:** Commercial, Freely available to National Institutes of Health (NIH) researchers

**Resource Name:** iResearch Library

**Resource ID:** SCR\_014890

**Record Creation Time:** 20220129T080322+0000

**Record Last Update:** 20260821T194030+0000

### Ratings and Alerts

No rating or validation information has been found for iResearch Library.

No alerts have been found for iResearch Library.

## Data and Source Information
