Proper Citation: Astrocyte Reactivity RNA-Seq Browser (RRID:SCR_015033)

Description: Database containing information about RNA-sequencing and astrocyte reactivity. Searching a gene through this engine provides differential expression data for various experimental conditions.

Resource Type: data or information resource, database

Defining Citation: [PMID:27027288](#)

Keywords: astrocyte, glia, reactivity, rna-seq, search engine
