Texas Medical Center Digestive Diseases Center Cellular and Molecular Morphology Core

RRID:SCR_015219

Type: Tool

Proper Citation

Texas Medical Center Digestive Diseases Center Cellular and Molecular Morphology Core
(RRID:SCR_015219)

Resource Information

URL: <http://digestivediseasescenters.org/content/ddrc-texas-medical-center-cellular-molecular-morphology-core>

Proper Citation: Texas Medical Center Digestive Diseases Center Cellular and Molecular Morphology Core (RRID:SCR_015219)

Description: Core facility whose services include histology, immunohistochemistry, RNA in situ hybridization, mRNA probe generation, frozen sections for enzyme histochemistry, immunofluorescent antibody studies, live and fixed cell confocal, deconvolution microscopy and super resolution microscopy (SIM and STORM), and transmission electron microscopy, quantitative morphometric analysis, high throughput microscopy and high content analysis, laser capture microdissection for molecular genetic analyses, and digital images for internet communication and publication.

Resource Type: resource, core facility, service resource, access service resource

Keywords: cellular morphology, molecular morphology, digestive diseases, TMC, DDRC

Related Condition: digestive disease

Funding: NIDDK P30DK056338

Availability: Available to the research community

Resource Name: Texas Medical Center Digestive Diseases Center Cellular and Molecular Morphology Core

Resource ID: SCR_015219

Record Creation Time: 20220129T080324+0000

Record Last Update: 20260731T042939+0000

Ratings and Alerts

No rating or validation information has been found for Texas Medical Center Digestive Diseases Center Cellular and Molecular Morphology Core .

No alerts have been found for Texas Medical Center Digestive Diseases Center Cellular and Molecular Morphology Core .
