Proper Citation: MareNostrum (RRID:SCR_015737)

Description: Operating software for a supercomputer in Spain. The software is maintained and updated by the Centro Nacional de Supercomputación (Barcelona Supercomputing Center) and is used for research projects on climate change, gravitational waves, a vaccination against AIDS, new radiation treatments to fight cancer, and other subjects.

Resource Type: software resource

Keywords: supercomputer, operating system, petaflop, research project, research software

Availability: Available to affiliated researchers

Resource Name: MareNostrum

Resource ID: SCR_015737

Record Creation Time: 20220129T080327+0000

Record Last Update: 20260815T182516+0000
