Fastml

RRID:SCR_016092

Type: Tool

Proper Citation

Fastml (RRID:SCR_016092)

Resource Information

URL: <http://fastml.tau.ac.il/>

Proper Citation: Fastml (RRID:SCR_016092)

Description: Web application for the reconstruction of ancestral sequences. It computes maximum likelihood ancestral sequence reconstruction based on the phylogenetic relations between homologous sequences.

Synonyms: The FastML Server

Resource Type: software resource, data access protocol, web application, web service

Defining Citation: [PMID:22661579](#)

Keywords: ancestral, amino-acid, sequence, reconstruction, phylogenetic, relation, accurate, bio.tools

Funding: Israel Science Foundation 878/09;
Bioinformatics Center at Tel-Aviv University

Availability: Free, Freely available

Resource Name: Fastml

Resource ID: SCR_016092

Alternate IDs: biotools:fastml, OMICS_08650

Alternate URLs: <https://bio.tools/fastml>, <https://sources.debian.org/src/fastml/>

License: GNU General Public License

Record Creation Time: 20220129T080328+0000

Record Last Update: 20260801T042755+0000

Ratings and Alerts

No rating or validation information has been found for Fastml.

No alerts have been found for Fastml.

Data and Source Information
