mentha

RRID:SCR_016148

Type: Tool

Proper Citation

mentha (RRID:SCR_016148)

Resource Information

URL: <https://mentha.uniroma2.it/>

Proper Citation: mentha (RRID:SCR_016148)

Description: Software that archives evidence collected from different sources, then analyzes and presents these data. Its data come from manually curated protein-protein interaction databases that have adhered to the IMEx consortium.

Resource Type: data or information resource, data analysis software, database, web application, software application, software resource, data processing software

Defining Citation: [PMID:23900247](https://pubmed.ncbi.nlm.nih.gov/23900247/)

Keywords: protein, ppi, imex, interactome, archival, bio.tools, FASEB list

Resource Name: mentha

Resource ID: SCR_016148

Alternate IDs: biotools:mentha, r3d100011124

Alternate URLs: <https://bio.tools/mentha>, <https://doi.org/10.17616/R3SP8V>

Record Creation Time: 20220129T080329+0000

Record Last Update: 20260801T042752+0000

Ratings and Alerts

No rating or validation information has been found for mentha.

No alerts have been found for mentha.

Data and Source Information

Usage and Citation Metrics

We found 149 mentions in open access literature.

Listed below are recent publications. The full list is available at [T1D](#) .

Guo S, et al. (2025) Efficacy and safety of Xiao'er Fengre Qing oral liquid versus Oseltamivir in treating pediatric influenza (wind-heat invading the defense syndrome): a multicenter, randomized, non-inferiority trial. *Frontiers in pharmacology*, 16, 1584003.
